Chapter 21 To 25

Chapter 21

"So, you were just acting with me?" Zhou Manchun asked uncertainly. She couldn't guess what Jin Beisen was thinking. She couldn't guess all the time.

"It's not acting, it's rehearsal, life is like a play, and just now, just let you see, don't be so degenerate." Jin Beisen's leisurely opening said that the Obsidian like eyes were shining in the night, sending out a unique charm.

Depravity?

These two words don't say that it's OK. Zhou Manchun's tears can't be controlled. She inhaled and instinctively resisted the bitterness at the tip of her nose. Jin Beisen actually said that she fell. She has always been a positive person.

Zhou Manchun thought that she hid her mind well, but in front of Jin Beisen, she was not a qualified actress.

"Jin Beisen, if you don't understand anything, don't say anything. Besides, don't pester me. We are from two worlds. I don't want to have anything to do with you. If I do something wrong, I apologize to you." When Zhou Manchun said these words, meimou showed a firmness. She also bowed to Jin Beisen sincerely.

At the thought of Zhou Tinghao being bullied in the detention center, and the obvious bruise on his face, Zhou Manchun was heartbroken. Once, she also lived in a carefree world.

"Two worlds? Where are two worlds from one earth? Don't play high with me there. " Jin Beisen didn't appreciate it at all. He frowned faintly and said indifferently.

For a while, Zhou Manchun couldn't think of a word to answer, because Jin Beisen's words were so sharp.

"Zhou Manchun, you can stop supporting yourself..." Jin Beisen's perfect handsome face is stained with a layer of haze. It seems that there is another flavor in his words.

"You sang my creation on the stage..." Zhou Manchun's cell phone ring interrupted the conversation.

Looking at the caller ID, Zhou Manchun firmly pressed the red key. It was Zhao Tianyu who called. She was not interested in answering.

But a few seconds later, her mobile phone sent two clear text message prompts, "Ding Ding". Zhou Manchun opened it with a calm face. It was a picture of Zhou Tinghao being beaten by a group of people in the detention center!

Zhou Manchun trembled all over. He felt a shiver. It's terrible. Zhao Tianyu is the best among the scum!

Looking at Zhou Manchun's slightly trembling figure, Jin Beisen glanced at her mobile phone with a cold face, and his brow locked involuntarily.

"From my ex boyfriend?" This is a positive sentence.

Zhou Manchun nodded and quickly deleted the photo. Thinking that her father was suffering in the detention house, her heart was choking with pain.

Over the years, Zhou Tinghao treated Zhao Tianyu badly. Unexpectedly, he bit back today. Zhou Manchun hated it very much!

"It's no use being angry here. The best way to deal with scum is to keep him alive." Like a sudden storm, Jin Beisen set off a strong storm in his eyes.

Zhou Manchun holds the mobile phone carefully, but her eyes are covered by a dense fog. Yes, she is useless!

"I'm useless. I can't do anything." Zhou Manchun lowered her head and gently bit her lips with her teeth. This little bit of pain spread in her heart. She will never forget this shame and hurt!

"Being my woman, I can make you do whatever you want." After hearing her words, Jin Beisen's eyes were full of sinister things. He didn't like Zhou Manchun's sad face.

"Please, save my father first, will you?" Zhou Manchun's attitude suddenly softened. In a tone of prayer, he said that Jin Beisen was distracted by his charming appearance.

Jin Beisen's eyes seemed calm with a thoughtful smile, and his thin lips overflowed with a ruthless words: "no good."

He refused! Zhou Manchun's eyes are full of shock, but this is also the expected answer.

Yes, she didn't agree to his terms. Why did he agree to her request?

Hot tears fell down her delicate face, and a feeble feeling swept through Zhou

Manchun's heart. She said slowly, "what if I promise you now?"

"Late." Jin Beisen's ink eyes narrowed slightly, and the air around him was a little deadly oppressive.

Zhou Manchun closed her eyes painfully, took two deep breaths, opened her red and swollen eyes, and suddenly showed a bright smile: "I know."

With that, Zhou Manchun turned around to leave. As soon as the steps moved, Jin Beisen stopped her.

"I want you to agree to me willingly, instead of being forced by the situation as now." Jin Beisen's eyes were half narrowed, and the corners of his mouth were filled with a smile of evil spirit.

Willing is the best. The melon is not sweet. Jin Beisen still understands this truth.

Zhou Manchun stops at the same place with her spine straight. Somehow, she suddenly feels cold. Jin Beisen's words are like a magic spell. This man always gives her a feeling that she can't refuse.

Maybe one day, she will really fall in love with him. Who knows about the future? But at present, there is no one in Zhou Manchun's heart. How could she expect to be loved when she was just hurt by love?

The evening wind is moving vaguely. The air on the roof is very fresh. It brings people a good mood like the clouds come to light.

Back to the apartment, it's half past ten.

Zhou Manchun opened the door carefully, with a light movement, afraid of

disturbing Zhao Lizi.

"Xiaochun, are you back?" Zhao Lizi's soft voice suddenly came from the living room.

"Mom?" Zhou Manchun turns on the light in doubt, which shows that Zhao Lizi is still sitting on the sofa.

"Hurry up and have a rest. You have to go to work tomorrow morning." Zhao Lizi said weakly, frowning tightly, as if it was dust laden with countless worries and troubles.

Zhou Manchun sat down on the sofa, her heart jammed. She bit her lips and said, "Mom, how come you haven't slept so late?"

"I'm waiting for your father." Zhao Lizi suddenly said calmly, the tight brow also slightly stretched some.

It's a sad sentence. Zhou Manchun feels a sour feeling coming from the tip of his nose. Zhao Lizi and Zhou Tinghao have a very good relationship. Since they got married, they have been very affectionate and never separated like today.

"Mom, Dad Dad, he won't be able to come out in a while. Go to have a rest tonight." Zhou Manchun looks at Zhao Lizi and feels sad. But she still holds back the astringency in her eyes. For a moment, she feels that she understands love.

It turns out that love is not a meal or a movie, but an ordinary company. As long as the person who loves is around every day, even if the food is not enough, it is also happy.

"Xiaochun, I called your father's friends today. Some of them didn't answer, some said they weren't there, and some said they couldn't help. You said What kind of friends do you think they are! " Zhao Lizi felt a little angry. She stretched out her hands and patted her thigh. Her mood was very unstable.

Chapter 23

When the company is good, we are friends. If there is a problem in the company, even friends are not.

This is the most ruthless side of this society. We need to know that people are warm and cold.

"Mom, it's normal. This is the way of the society. Since you see clearly, don't contact those people." Zhou Manchun holds out her hands to Zhao Lizi, who is out of control. At this time, her mother is the only one.

"Xiao Chun, shall we go to see your father tomorrow?" Zhao Lizi stayed at home for a day today. She was in a trance. She didn't dare to see Zhou Tinghao. She was afraid that Zhou Tinghao would be hurt to see her.

"Mom, I went to the detention center today. The people in the detention center said that they can't visit dad for the time being. They have to wait until a week later." Zhou Manchun was afraid that Zhao Lizi would be more emotional when she saw the bruise on Zhou Tinghao's face, so she didn't dare to let Zhao Lizi see it, so she lied.

"Is it?" Zhao Lizi's tone spread unhappiness. She rubbed her temples with her hands and closed her eyes slowly.

This night, Zhou Manchun tossed and turned in bed. She thought about it all night, but the more she thought about it, the more she lost it.

Looking out of the window, the scenery is different from before. Once upon a time, she could see the most beautiful night scene of city a every day, but now, what she saw is dark.

The day is so painful, the company's business has not made any progress, the police replied that the case is under review.

Somehow, Zhou Manchun recently went to the detention center to see Zhou Tinghao, but she was refused to visit. Zhou Manchun was very angry. She had been doing this for six consecutive days. She thought it must be Jin Beisen's ghost.

Does he have to ask her to kneel on the ground?

But these six days, Zhou felt very calm, because Jin Beisen didn't harass her again.

Tonight is the birthday of Li Zeyuan, the director. The cardiology department opened a big box for him to celebrate in the Queen's bar.

When Zhou Manchun arrives, he will be the last.

Zhou Manchun is a little afraid of this bar, because she just drinks too much here and loses her first night.

The colleagues in the box have drunk a lot. Seeing Zhou Manchun coming, Li Zeyuan immediately said with a smile, "is director Zhou so late that he looks down on someone Li?"

Like a joke, but the words are sharp. Zhou Manchun knows that Li Zeyuan doesn't like himself, because her existence has threatened his position.

"Director Li, I'm really sorry. There's something wrong at home. I'm late. I'll punish myself for three cups." This rule, Zhou Manchun or understand, she is very sensible to pick up the glass, drink three at a time.

Li Zeyuan's eyes were full of calculation. He said with a smile, "director Zhou is really forthright. Let's have a good drink tonight."

I don't know how much wine was poured. Zhou Manchun went to the toilet in a daze and stumbled all the way.

At the same time, a man in a pure handmade Italian high-end customized suit was staring at Zhou Manchun on the card seat not far away. Her every move fell into his eyes, but she was extraordinarily indifferent.

I haven't seen her for a few days. The woman is more and more unrestrained. She comes to the bar to get drunk. She's really not afraid to die.

Jin Beisen's eyes and eyebrows were as clear as those of Langyue, with a hidden sense of resentment. The vice mayor sat beside him talking about business. Suddenly, he seemed to find Jin Beisen wandering.

Chapter 24

"President Jin, what are you looking at?" Vice Mayor sits next to Jin Beisen. He looks down at Jin Beisen. He seems to be looking at a woman sitting on the bar.

"Nothing." Jin Beisen put away his cold mood and turned to the vice mayor.

"Come on, Mr. Jin. Smoke." The vice mayor also lit a cigarette for Jin Beisen

himself.

Jin Beisen took the cigarette and sandwiched it between two fingers. His long fingers passed to his mouth from time to time. Under the light, he was touched with a light loneliness.

"President Jin, how did you think about the matter we talked about last time? To be honest, my sincerity is still very good. I'd like to sell it at the bottom price..." The deputy mayor chirped in Jin Beisen'.

"This sister, drinking alone here?" Suddenly, a tall man hugged Zhou Manchun from behind. Zhou Manchun was so scared that he almost fell off the chair.

She just drank too much, sat on the bar and woke up. At the moment when she saw the strange man, Zhou Manchun was frightened. Her eyes showed a little fear, and she stared at the strange man in the opposite direction and said: "who are you? What do you want?"

"Who am I? Of course, I'm a good person. My friends are all in the card seat over there. Are you interested in going to sit together?"

"No." Zhou Manchun shakes her head, a deep inability to sweep her, how suddenly feel a little dizzy? Are you drunk?

"Sister, it's boring to be alone. Follow your brother and make sure you're happy." Man in Zhou Manchun's ear said the words of confusion, but also with eyes to show Zhou Manchun, expression evil.

"You rascal, you go away, I tell you, if you don't go away, I will call the police!" Zhou Manchun stepped back two steps in a row, threatening.

However, her head seems to be heavier and heavier, and her body is also inexplicably dry and hot.

"Oh, this girl is not a little grumpy." The man got angry and began to pull Zhou Manchun.

Zhou Manchun looks around helplessly. Here, she doesn't have any acquaintances. Her colleagues are in the box. Besides, it's normal for men and women to talk in the bar. No one will care.

Zhou Manchun feels scared, but the man drags her arm to the direction of the bathroom. The more Zhou Manchun struggles, the more she feels weak. She can't make it. Even the cry for help becomes a charming voice.

"Save Help." Zhou Manchun is frightened by his voice. How could it be like this? Special soft.

"Come on, baby." Seeing that the man was about to drag Zhou Manchun into the bathroom, Zhou Manchun suddenly snapped at the man's arm angrily, and the man let go of her in pain, but her legs seemed to be disobedient. At this moment, she could not walk!

"How dare a stinky woman bite me?" The man was furious. His scarlet eyes were like wild animals. Shaking hands was a slap.

But this slap didn't fall on Zhou Manchun's face. Someone snatched Zhou Manchun from his hand first. He almost fell into the air and fell into shit.

The man decided to look at the man in the past. He saw a man with a long body and a cold face standing opposite him. The most terrible thing was his eyes, which seemed to eat people alive, with a bloodthirsty desire.

Chapter 25

This face is absolutely unforgettable. The man recognized that the person opposite is Jin Beisen, the chief of JS international.

"Not yet." Jin Beisen opened his thin lips lightly, his voice was not heavy, but his momentum was very majestic, and his eyes also made people feel the unforgettable cold.

The man's legs were so scared that he walked away shivering. No one can offend Jin Beisen.

Zhou Manchun hears Jin Beisen's voice, which is like a devil's voice, which makes her suddenly pull back to her thoughts. At the moment, Jin Beisen is holding her hand in her arms.

"You Why are you here?" Zhou Manchun's Apricot eyed boss didn't expect Jin Beisen to save her.

"I happen to be in business here." Jin Beisen replied, the expression on his face relaxed a little, as if with a soft smile.

"Oh Thank you. " Zhou Manchun didn't know how to say it. Anyway, he was surprised.

Jin Beisen always appears when she is most unexpected. She is haunted!

Of course, Zhou Manchun put this sentence in his heart. After all, Jin Beisen just saved his life.

"Do you want to repay me?" Jin Beisen's voice bewitched and asked directly.

Words fall, Zhou Manchun's eyes stare even bigger, what's all this with? Why didn't Jin Beisen play according to common sense? But her body seems to be drifting. If Jin Beisen had not held her in her arms, she would have fallen to the ground.

"How can a rescuer repay himself?" Zhou Manchun uttered a word with his mouth, and stared at Jin Beisen vaguely. Jin Beisen's face magnified several times in a moment, which was very clear.

"I don't want to lose money." Jin Beisen's evil spirit smiled, hugged Zhou Manchun's hand to increase her strength and pinched her waist.

Zhou Manchun is extremely ticklish and twisted. She wants to break away from Jin Beisen's arms. She says, "you let me go, you pervert."

Originally, Jin Beisen saved her. Zhou Manchun was grateful at least. But when Jin Beisen spoke, Zhou Manchun had no interest in him. Who is that? It's a minute to reveal that he's a pervert.

"Yeah, I'm just a pervert, you know now?" Jin Beisen suddenly released his arm around Zhou Manchun, and Zhou Manchun fell down and sat on the ground.

Zhou Manchun is suffering from pain. He stares at Jin Beisen and says, "Hey, you are nervous. You should let go in advance without saying a word."

"Who told you I was perverted?"

Zhou man's face was black, and she slowly climbed up against the wall. She felt a sudden dryness and heat. She blushed and said, "what a cheapskate."

Jin Beisen looked at Zhou Manchun with his hands around him. He said with

a smile: "woman, are you going to climb home like this?"

Zhou Manchun glared at him with an unconvinced look and said, "don't worry about it. You can go away."

"You'll meet some hooligans later." Jin Beisen said with a funny look on his face, and the corner of his lips rose unconsciously.

"It's better to meet a rogue than to meet you in this terrorist." Zhou Manchun is angry and wants to push Jin Beisen away. Unexpectedly, Jin Beisen holds her tightly in his arms.

Smelling his breath, and the faint smell of tobacco on his body, Zhou Manchun's cheeks turned red instantly. Somehow, she felt very hot.

Jin Beisen naturally knows what's wrong with her, but he won't tell her now.
